

## Handheld Refractometer

### Model: FWZS32

This meter has a double scale: Brix as well as specific gravity, which can be simultaneously read.

- ATC: Automatic Temperature Compensation (10°C-30°C)
- High quality sustainable aluminium construction
- Dual scale: Brix + SG
- Easy to calibrate
- Sturdy storage case
- Segment: Beer, Cider, Wine

### Specifications

Scale 0-32% Brix, reading per 0.2%

Scale 1,000-1,130 SG, reading per 0.001

Dimensions (WxHxD) : 9.5x5.5x21.9 cm

Weight: 0.34kg

### Content:

- Refractometer
- Pipette
- Mini-screwdriver
- Manual
- Storage case
- Soft cleaning cloth
