

F-2C Series Precision Electronic Balance**Characteristic:**

Easy to read LCD display ,one touch tare up to full capacity,high resolution,quick readable weighting,easy to operate,widely used in high industrial applications, laboratory, university.

Main Technical Parameter:

Model	F2002C	F3002C	F5002C	F6002C	F10002C	F20002C	F30002C
Capacity(g)	210	310	510	610	1100	2100	3100
Resolution(g)	0.01						
Min weighing(g)	0.04						
Stable Time	≤2S						
Pan size	Ø130mm						
Operation Temp	5-25℃						
Repeat ability	0.02g						
Liner	0.03g						
Cal. Weight	200g	200g	200g	200g	500g	1000g	2000g
Option	RS232C & RS485、Printer						
Packing size	Inside:310*230*130mm Outside:660*470*320mm						
G. weight	2.0/22kg
