Life Nano melamine pad

（Melamine composit PU and Fleence fabric）

No.	Photo	Product	Size	Material
1		Floor cleaning pad LF001	17inch	Combo Melamine+ PU + fleence fabric
2		Floor cleaning pad LF002	17inch	Compressed melamine++ PU + fleence fabric
3		Mop pad LF003	250*120*20mm	Compressed Melamine + PU + fleence fabric

Floor cleaning pad LF001

Combo Melamine floor pad composite fleence is an innovative cleaning product, made of super strong compressed melamine sponge with PU and fleence fabric,
uniquely formulated from high-strength melamine foam bound with adhesive to dramatically improve its abrasive strength and durability. micro-fibres much smaller than

ten thousandth of hair dip into the deep surface of floor, micro-particle, dense texture,by micro-abrasive principle, fast remove the stains, polish, dewax, repair small scratches.
For a deeper, longer-lasting clean,It could clean up to 500-1000meter square which is better than the compressed melamine pad

Feature

- Micro abrasive: Powerful grinding,fast polish and dewax.
- Micro-fibre: Deep-cleaning, dense texture, no hurt floor surface.
- Efficient: Floor cleaning, polishing and dewaxing at once.

Advantage

1.Uses with water only. Chemicals can also be added to improve cleaning.
2.Excellent for stubborn stains, cleans very well black marks, shoe marks, wheel marks.
3.4 times more efficient-Save time and effort without compromising performance

Precautions

1.Please test on tile with obvious stains
2.Require enough water as it need to combine with water.
3.It could clean up to 800-1250meter square floor on 17inch. So you can use them up
4.Please try to make an cleaning video to compare cleaning effect and promotion

Why Choose combo melamine pad

1.Few factory to produce
Now there only few factory to product combo melamine pad,it is competitive
2. Our quality is better than other factory
We get different test feedback show that our quality is better than others
3.Price is acceptable by market

suitable for cleaning on kinds of tiles, ceramics and floor.

Product parameters

Size：8-27inch

Density:10/12/16kg/m³

Material： Compressed Melamine 70% + Combo melamine+scouring cloth30%Package: 100pcs/ctn, Meas,53*34*45cm/ctn

Why choose Life Nano

Life Nano Plastic Products (Zhangzhou) CO., LTD

Our factory established in 2011,we only product compressed melamine sponge for 14years.

We has a group of professional R&D and design teams. Based on the advantages of processing technology, talents and experience, We have made new breakthroughs in melamine materials, and has obtained a number of innovative products.

With strong technical force, excellent mechanical equipment and strict production technology, We has produced high-quality melamine sponge products, which has won unanimous praise from customers at home and abroad!

We sincerely look forward to working together with customers to create brilliant!

Our Advantage = S + S + S + A

- ♦ Stable Quality
- ♦ Sufficient Supply Capacity
- ♦ Strong technical support for production.
- ♦ Application Diversification

Key Projects

1.Supply Magic Disc Foam with Scouring Pad for the ongoing project
- the maintenance of 160 floors in Burj Khalifa Dubai (World's Tallest Tower), U.A.E.

2.Supply OEM service of Magic sponge for the famous Japanese brand – Daiso.

Service Range

1,Finished Products
2,Semi-Finished Product
3,Application Solution
4,OEM Service
5,ODM Service

Our Commission:

Professional and only devote to researching and developing of new application of compressed magic sponge in our life.
