

LED READING WALL LIGHT (WL59)

Product Features

- Modern design
- With touch-on switch
- Recessed Wall Mount
- Indoor Reading Light IP20
- Pure Aluminium construction
- Made with LM-80 CREE certified LED chips
- Long life-span with low power consumption
- Housing Finish: Anodized Black / White / Chrome Silver

Technical Specification

Model	SE-WL59-3W
Watts	3W
LED Chips	3W CREE XPE R3 COB
Input Voltage	AC 100~277V
Beam Angle	30°
Colour Temp.	3000K / 4000K
CRI	Ra>85
Lumens Output	170lm
Plate Size	110*110mm (Square)
Cutout Size	80mm
IP Grade	IP 20
Housing Finish	Anodized Black / White / Chrome Silver
Switch	Touch-on Switch
